

St Nicholas Church have put in place a support network if you hear of anyone who needs help with delivery of medicines, essential food shopping or someone to talk to, this mainly covers, Dersingham, Ingoldisthorpe, Anmer and Shernborne but also a little further. We have a system in place with Boots the Chemist, Stockleys in Snettisham and Carol Brown Surgery for delivery of medicines.

If you hear of anyone who would find any of these offers of assistance helpful please speak to Church Secretary Pauline Martin and her husband Hadyn on **01485 544561** or Jane Churchill on **01485 543229** who are co-ordinators.

Take Care
