## **Dog Fouling**

It has been brought to the attention of the Parish Council that people are not picking up the waste left from their dogs. Please be considerate to other parishioners, especially children. The Sports Ground on Manor Road has been reported as being extremely bad. There are lots of children who play sports there every week. It is not good and think about public health especially with Covid 19. The last thing people need is not going out or playing sports of fear of walking or falling in dog excrement. There are many dog bins all over the village, please use them AND PICK UP AFTER YOUR DOG.
