288 Planning Application

21/00343/F Application for change of use of grass area to domestic garden with erection of enclosing fence at 21 Post Office Road, Dersingham.

It was resolved to raise objections to the proposal because it is considered that the loss of the open area would be detrimental to the visual amenities of the residents of Orchard Close and would have an adverse impact on the character and appearance of the street scene and area in general. It would also be prejudicial to the safety of users of the library car park when trying to exit onto Orchard Close.
