

TREE PLANTING - WARREN

Many, many thanks to all of you who have volunteered to help with the tree planting at The Warren.

The Warren can be accessed from the southern end of Philip Nurse Road and the western end of Reynolds Way. If you are coming by car please be aware that this is a residential area so please respect the residents.

We will be starting at 10am on both Saturday 12th and Monday 14th with a short briefing. Please wear stout shoes or boots, warm clothing and if rain is forecast bring some waterproof clothing. Most importantly you will also need to bring a gardeners spade, as we will be unable to provide equipment.

We are still awaiting the delivery of the trees so please, please do keep an eye on this Facebook page for the final confirmation on Friday afternoon.
